Update on Centre for Youth Ministry Student Placements.

Thanks to your generosity and some concentrated hard work by many people we are pleased to update you that the process of appointing our two students to work in youth ministry across the parish is going extremely well.

We thank God for the provision of one definite student Jules Walton. Some of you will have met Jules at Swanwick. She has experience in working with young people and serving the church in a number of ways including as a Lay Reader. Jules is 30 and comes from Birmingham.

We have also interviewed one male student Sam and plan to interview another also confusingly called Sam on Thursday 23rd. We have met with Sam (2) briefly and look forward to Thursday please support us in prayer.

SWINE FLU & COMMUNION

SOUND AND PROJECTOR OPERATORS

The church family desperately needs more sound and projector operators, for all services where they are required. This will ease the load on those who are in the rosters, and ensure we can maintain cover. We are actually at the point where some services may not be able to be served at all, and we may need to return to more traditional methods. Please consider prayerfully if you could bless us by volunteering for these vital ministries. Full training and support will be given – please contact Charles Hume for more details.

The Beaver Scout Colony sponsored by the church will be in need of new adult helpers from September; some of the present people are moving on to other things. Meetings are 6:15 to 7:30 on Tuesday evenings; you could come on a rota basis.
