**21st June 2009**

**WELCOME !!** Thank you for joining us today as we meet to worship our Lord Jesus Christ. We pray that you will feel part of His family here. If you are new please make yourself known to us – there are welcome cards at Christ Church on the table by the door to complete and hand in if you wish. Please do stay with us after the service for refreshments and a chat or if you would value prayer with the prayer ministry team they are always available after the service.

**Father's day**

There are things I remember from childhood which I decided there and then I would never do as an adult. For example, when a parent sees their child has a dirty face and, not being near a sink, spits on a hankie and uses that to clean them. Or saying 'haven't you grown', which admittedly wasn't said much to me, as if this was somehow surprising and unexpected.

As I think back on these experiences around Father's day, in a week where I've buried a father in his mid-60's and heard of a young father who died suddenly, I've thought about how people's experience of being parented has huge influences, good and bad, on their adult behaviour, and it made me realise how grateful I am to God for my fantastic parents. I know that not everyone can say this, but I want to encourage you, if you're able, to do two things. Firstly, to thank God for someone in your life who was a Father figure, whether an actual father or a relative, teacher, vicar or whoever. Secondly, to pray for those people growing up in our own society who lack good parent role models, especially fathers, and how that affects them as they become adults.

Curate
