**22nd March 2009**

**WELCOME !!** Thank you for joining us today as we meet to worship our Lord Jesus Christ. We pray that you will feel part of His family here. If you are new please make yourself known to us – there are welcome cards at Christ Church on the table by the door to complete and hand in if you wish. Please do stay with us after the service for refreshments and a chat or if you would value prayer with the prayer ministry team who are always available after the service.

Welcome as you join us in worship this week at Christ Church, Pathway and St Barnabas. And a very special welcome if you are just visiting, or are new - please do not rush off because we would like to get to know you!

You may be aware that over the last few months Pathway has been looking at the mission and core values that we believe that God is calling us to live. We are ordinary people, journeying together with an extraordinary God. We think it is very important to develop a "laser focus" and concentrate our resources into one area of our church life at this time - and that is prayer.

James Montgomery wrote "Prayer is the Christian's vital breath, the Christian's native air", and it is that idea of breathing prayer, of making it such a natural part of our life that we seek to develop. We want to be creative in prayer, and the First Friday events that happen each month are an opportunity to make time and space for God.

Why not join us for parish prayers this Thursday and for First Friday on April 3rd and experience the excitement and creativity of living prayer, and join us on our adventure as we learn to breathe prayer and live worship!

Angela, Linda, Mark, Ron. *The Pathway Leadership Team*
