28th June 2009

**WELCOME !!** Thank you for joining us today as we meet to worship our Lord Jesus Christ. We pray that you will feel part of His family here. If you are new please make yourself known to us – there are welcome cards at Christ Church on the table by the door to complete and hand in if you wish. Please do stay with us after the service for refreshments and a chat or if you would value prayer with the prayer ministry team they are always available after the service.

**Church Family Weekend - The Hayes, Swanwick - 3 to 5 July**

Just one week to go before a group of some 190 of us go away to Swanwick for our very own church family conference. It's title is "Filled for Overflowing – a weekend of teaching learning and enjoyment". What could be a more exciting prospect! Please everyone pray this week that it will be a wonderfully enriching time for our church, that we hear from our Father God's heart, and be blessed with His special touch on our lives, families and friends.

For those that are going most of you should have received an email this week, giving you the programme and other details you will need to get yourself there. Please print it off and bring it with you. For those who cannot access email the will be some copies available at the back of church or from the office.

As well as the prospect of great talks from Ian Parkinson we have programmed in 2 mouth watering sessions of optional seminars, which should provide something for everyone. Then there is the "Christ Church got talent?" informal evening show. Please let Chris Youngman know if can contribute an item. It should be a lot of fun.

Finally please ask the office or ring or email Charles Hume if you have any queries.

## CALL TO ACTION

### Coroners and Justice Bill: The House of Lords

This Bill will soon reach its critical stage in the House of Lords. The two key issues of concern are:

#### **Assisted Suicide**

I am particularly concerned about Lord Falconer's amendment (173) - making it legal for someone to assist a seriously ill person to commit suicide by taking them abroad to a suicide clinic and Lord Alderdice's amendment (174) - making it legal for someone to assist a seriously ill person to end their life in this country. CARE's '4 peers campaign' is encouraging Christians to write to four peers each, asking them to vote for life by opposing the amendments.

If you would like to write and have access to the Internet go to [4peers@care.org.uk](mailto:4peers@care.org.uk) and they will send the name of four peers to whom you could write. Otherwise, if you would like any help with finding these names, please do contact me (Tel 9179699).

#### **Free Speech**

Last year, Parliament passed Lord Waddington's excellent amendment protecting free speech. However, Clause 61 of this Bill now removes this wise safeguard. Without it Christians may be subject to lengthy police investigations for simply expressing their Christian convictions regarding sexual issues. Again, if you feel you could do so, please write to the peers in our area asking them to vote against Clause 61 and thereby keep this precious free speech clause.

**Time is short**, as the assisted suicide vote will probably be on July 7th and free speech on July 9<sup>th</sup>. Thank you. Chris Roseblade
