YOUR HELP NEEDED WITH WELCOMING PEOPLE INTO CHURCH

We have a great team of people who provide a warm welcome to people coming to the 10:45 service and I thank all of you involved for your support. Although most Sunday's are covered, we are really short of people on the 3rd Sunday of the month, to the point where we currently have no one on the rota. Please consider if you would be able to carry out this vital role. It doesn't take up too much of your time as you only need to be arrive at church 30 mins before the service starts and be there for a while after the service finishes to talk to anyone new/ on their own. There are a few practical tasks (e.g. putting water out for the speaker) but these are shared between those of you on the rota for that week so no one person needs to do too much. It is more important to be a friendly person who can welcome both new and regular people and put them at ease.

There are also a number of small groups/ teams of people that do a great job serving up with coffee for us before/ after our services. (thanks to all you too) but again we have no one to cover the 3rd Sunday after the 10:45 service. Is your small group looking for an opportunity such as this? It really only needs 2 people at a time so if you small group could cover the 3rd Sunday each individual wouldn't have to do it that often.

Please do urgently consider if you could help with either of these requests and let Louise Rostron know (lerostron@btopenworld.com or 9229366). Thanks.

MAKING A BANNER

Would any one like to join a group to make a banner? No experience necessary. If interested, ring Ruth Hume 9227389
