# BE PART OF GOD'S BLESSING FOR NG9

We are still hearing great stories of how God blessed people through Hope in the Park 2008, stories of prayers answered and lives transformed. We even heard recently that the Owl display team that came last year were given a whole new barn to keep their owls in, by one of the visitors to the event. We think that is an amazing demonstration of God's generosity spilling over into the community.

We believe that Hope in the Park 2009 on 5<sup>th</sup> & 6<sup>th</sup> September will be an even greater outpouring of God's love to the people of this area. But God chooses to pour out his blessing through His people, that's you and me. There is still time and plenty of opportunity to get involved or contribute in some way. The response form below gives some ideas.

There is of course the opportunity to support Hope in the Park financially. Last year over 1000 people attended at an estimated cost per person of about £7. Please would you consider covering the cost for yourself or anyone else that you bring, or perhaps covering the cost of someone you don't know? We are offering this event as a free gift from the local churches to the whole community, please help us with this if you are able. Cheques payable to Hope NG9 & sent to Christ Church Chilwell 6 College Road, NG9 4AS

This newsletter should come with a promotional leaflet for the event, every local church will have been supplied with plenty of these. Please do take a leaflet to invite friends, stick in the window of your house or car, or in a local shop.

Last year we were overwhelmed by how many people came to share in God's blessings with us – **let us work and pray to be even more overwhelmed with God's blessings this year!!**
