I/We have reviewed our financial commitment to Christ Church in light of the Momentum Campaign and would like to take the following action:
(✓ as appropriate)

- M Increase my/our annual giving by £ to a new total of £
- M Give a one off gift of £
- M Start giving regularly an annual sum of £
- M Confidentially discuss our financial affairs to review alternatives.

Our target is to increase our income from regular giving by **£25,000** gross (including tax recovered) for the next financial year AND to raise an additional one off figure of **£30,000** gross to allow key work to be done.

Please tick as applicable:

- I am able to use Gift Aid to allow the Church to recover tax.
- The Church cannot recover tax on my giving (because I use Charities Aid Foundation or am not a tax payer).
