WELCOME – 6TH JUNE 2010

WELCOME to our service today at Christ Church! We thank you for joining us today as we meet to worship our Lord Jesus Christ. We pray that you will feel part of His family here. If you are new please make yourself known to us – there are welcome cards at Christ Church on the table by the door to complete and hand in if you wish. Please do stay with us after the service for refreshments and a chat or if you would value prayer with the prayer ministry team who are always available after the service.

WORLD CUP 2010

Yes, it's that time again – and you've got the least sporty member of the staff team writing about football! This time next week the competition will have begun and some of our church family will be in rapture or tears depending on how the teams are doing!! Over the next few months we are aiming for each congregation to engage with our community friends and neighbours – one of the aims is to get as many as possible invited to our Alpha course this autumn. But it's always hard to go in 'cold' without building some kind of relationship with us as a worshipping body of people. In previous years we've had a great social time on Father's Day, so on Sunday 20th June we're reprising a good thing and having a BBQ following the morning service and then a sociable time around a World Cup match theme that evening. Pick up a flier at the back of church and pray about who you could ask along. A great fun day for all the family – so please put it in your diaries. Even if like me you don't like football, there will be plenty of other things going on.

God bless! *Fran*

P.S There's still time to bring back your giving response forms. Put in the box at the back of church. All are treated completely confidentially and only seen by our Stewardship person, Paul.
