

THE "WELL" SUPPER AND AUCTION

Saturday October 4th 6.30pm for 7pm

Christ Church, Chilwell

WHAT? In place of our traditional harvest supper this year we are having **Supper** followed by a **Promises Auction**.

Supper will be baked potatoes followed by pudding. Please bring-your-own wine or juice. We're starting early so that families will be able to attend together.

The Promises Auction Would you like someone to give you a singing lesson? Or bake you a cake? Or do your week's ironing? Perhaps you can offer to mow someone's lawn, or wash their car, or babysit for that special evening out?

If you can't make a promise, maybe can bring a bottle, or a cake or something chocolatey that we can auction off! Use your imaginations!

WHY? Because we're trying to change people's lives for the better. Last year, all of us at Christ Church studied **Poverty and Justice** through the sermon series. In response, Chris Youngman's small group decided to raise money towards the Well. We aim to fund a **fresh water drinking well** for an entire village in The Gambia through the charity Village Aid.

HOW? So far about £1,500 has been raised but we still need another £1,500. To this end we'd like to join together as a church and put on a **fun packed event** that will provide clean water for those who have none.

WHO? You of course! And your family! And don't forget your cheque book!!

If you can offer a Promise, or help in any other way (e.g. make a pudding for the meal), please ring Fran on 9227730 or George on 9226699. Watch out! We will be talking to YOU!

What we really, really want is for you to come with your families and friends and bid and raise lots of money for the Well. This is a great event for everyone, old and young, friends and family.

It's only £5.00 per person with half of that going to Village Aid. Tickets are on sale at our services and many other outlets! Do ask us if you're not sure about anything.

THANK YOU!
